

ALLPRO Plus 95 FR

Architectural Lightweight 235gsm shadecloth

ALLPRO™ Plus 95 FR is a superior quality 95% commercial grade shadecloth, suitable for architectural use. It is light-weight (235gsm) to allow easy tensioning, and has been heat set to prevent curling and enable easy fabrication. This also creates a superior looking end product that should not stretch or sag. Plus 95 FR has the added feature of being fire retardant for enhanced safety.

Meets Australian people shade standard
Australian Standard AS4174:2018

Passes all AS/NZS 1530.3 requirements
